Dear Child Care Provider,

As a licensed child care home, you are entitled to join a program which reimburses you for feeding nutritious meals to young children. You work with a local sponsor such as the Positive Bright Start (PBS) which completes the administrative functions of the program locally. You turn in a monthly claim report and menus and are then reimbursed for up to 2 snacks/1 meal or 2 meals/1 snack per day per child in your care. The food program will offer two different rates, depending on the location of the provider's home and the household income of the provider or of the income eligibility of the children in care. The reimbursement rates are:

2025-2026 YEAR

RATES PER MEAL	TIER 1	TIER II
BREAKFAST	\$1.70	\$.61
LUNCH/SUPPER	\$3.22	\$1.94
SNACK	\$.96	\$.26

There are other services which PBS offers for our food program participants in addition to the monthly reimbursement check. Some of these are:

- Nutrition Notes newsletter with nutrition information, recipe and meal planning ideas and suggestions for art, science, math, music, movement and other activities for children
- Trainings and workshops/in-service which focus on nutrition, children and other topics of interest to child care providers

As a staff of PBS's Child and Adult Care Food Program, we would like to welcome you. Should you have any questions, please call us (842-9679). We look forward to working with you!

Sincerely,

Lisa Zwiener
